

APPEAL NO. 023187
FILED JANUARY 28, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing (CCH) was held on November 13, 2002. The hearing officer resolved the disputed issues by deciding that the respondent (claimant) sustained a compensable injury on _____, and that she has had disability "since July 22, 2002," which we construe to mean that the claimant has had disability from July 22, 2002, through the date of the CCH. The appellant (carrier) appealed. No response was received from the claimant.

DECISION

The hearing officer's decision is affirmed.

The claimant had the burden to prove that she sustained a compensable injury as defined by Section 401.011(10) and that she had disability as defined by Section 401.011(16). Conflicting evidence was presented at the CCH. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). As the finder of fact, the hearing officer resolves the conflicts in the evidence and determines what facts have been established. The hearing officer's decision is supported by the claimant's testimony and by the reports of the claimant's treating doctor and referral doctor. We conclude that the hearing officer's decision is supported by sufficient evidence and that it is not so against the great weight and preponderance of the evidence as to be clearly wrong and unjust. Cain v. Bain, 709 S.W.2d 175 (Tex. 1986).

The hearing officer's decision and order are affirmed.
